

Resource 1: Safe or Unsafe Scenarios

Read the following scenarios and decide if you think these are safe or unsafe practices. If you are finding it hard to decide, or you think it might be safe sometimes and not at others, choose 'it depends'.

Safe or Unsafe?

	SAFE	UNSAFE	IT DEPENDS
Posting a photo wearing school uniform			
Checking privacy settings on social media after accepting a new update			
Doing online banking on public Wi-Fi at a café			
Allowing social media apps to access and share location settings			
Having passwords made up of three random words, including capitals, numbers and symbols			
Using a date of birth as a pin number for a bank card			
Saving card details on a public computer in a library			
Entering social media competitions to win prizes			
Renewing antivirus software when it runs out			
Entering card details to buy something from Amazon			
Having open settings so anyone can send a friend request or view your profile			
Setting a profile so only friends of friends can follow or like posts
