Have secure passwords
(e.g. 3 random words with
letters, numbers,
capitals)

Post

Make sure photos don't
include sensitive
or private
information

Don't over share personal
information on social media
especially with people
not known
offline

Update firewalls and
antivirus software

Password and pin protect
all devices (e.g. phone,
tablet, laptop)

Don't access personal
information if
using public wifi
e.g. in a café
or train

Always check before passing
on anyone else's
information, even
to a friend

Refer to anti-fraud
agencies for
further advice

Regularly check privacy
settings, especially
after updates
